Five 5" x 5" Knitted Washing Cloths

MATERIALS

- One ball Lily Sugar 'n' Cream Scrub Off, (75 gr. 106 yds.), or any similar-weight cotton yarn. Model uses "Deep Turquoise," and requires approximately 20 yards per cloth
- Size US 8 circular knitting needles, 16" or 24".

NOTE

Gauge is not so important as keeping stitches consistent. Let the needles do the work of setting gauge here. (Should be between 4.5 and 5 stitches to an inch.) The finished cloth measures approximately 5" x 5" before washing. One ball yields up to 5 washing cloths.

STITCHES & TECHNIQUES

This Washing Cloth is made using garter stitch (knitting all rows) with a selvedge edge. Either increasing rows or decreasing rows are used. The Selvedge is created by, in every row, knitting through the back loop (K Tbl) in the first stitch, and before working the last stitch, bringing the yarn forward and slipping the last stitch as if to purl. Yarn overs (yo) are increases in the body of the fabric, and knit two stitches together (K2TOG) are decreases. Instructions are followed as written; with the first and last stitches of all rows being treated in this way to create the Selvedge edge.
